

Lofty Valley Wines

June 2010

I found the action from Gary brilliant.

What I had been unable to achieve in 3 months he had sorted out in a week.

It cost me next to nothing and took me less than 10 minutes of my time in total, got me \$600 I had written off in my mind and it was nearly all done by email and fax.

I would say best Google search I ever made.

Cheers to all at SA Debt recovery!
