

Melita Busby 03\01\2010

Being an interstate investor, I found it nearly impossible to collect debt from previous tenants.

Not only was I fighting a losing battle, but the whole situation was extremely stressful!

Through the use of SA Debt Recovery, I was able to continue on with my life, stress-free, and know that the situation was receiving the appropriate attention it needed.

Without SA Debt recovery, I would never have been able to obtain the funds owing to me!
